Mission

**Point of Note**

St Austell is the largest town in Cornwall and experiences a wide range of urban and rural policing issues. St Austell police enjoy a close working relationship with St Austell BID and other key partners which has been essential in tackling not only individual incidents but longer term issues.

To detect and prevent harm, protect the vulnerable and reduce crime.

Work together as one team to safeguard communities and neighbourhoods.

Sustainable and resilient, to provide a high quality service to the public.

To act in accordance with the national Code of Ethics and Force standards of behaviour.
